PART B: Ace-It Paragraphs. You will be asked to answer **two** of the following questions in the Ace-It Paragraph Format. Use examples from the units we have studied in the last semester.

- 1) Identify opportunities and problems that arise from changes in technology. In your paragraph identify two opportunities and one problem or two problems and one opportunity. Provide specific evidence of how these changes brought opportunities and problems. Identify three separate civilizations.
- 2) Explain how the availability or scarcity of a resource could lead to cultural identity. In your paragraph identify two resources available and one resource scarcity or two resource scarcities and one resource available. Provide specific evidence for each. Identify three different civilizations.
- 3) Discuss the way that geography has had an influence on the development of three separate religions. Give specific evidence.
- 4) How do civilizations rise? Give three examples with specific evidence. Identify three separate civilizations.
- 5) How do civilizations decline? Give three examples with specific evidence. Identify three separate civilizations.
