Greetings, Juniors—

For the record, the classic illustration on this class plan cracks me up! But I don't know why. Perhaps we'll need to chat about it.

Here's how we'll roll today:

1. Attendance—We'll see who's here!

2. (Re)Intro to WEDGE—We'll leap right into what we in the business refer to as “English class stuff.” We'll talk about a special kind of drafting and then practice it a bit.

3. Nomenclature Sorting—Having done a little bit of work, we'll dedicate a little time to talking about names.

4. Quick Instructor Intro—We'll talk about why it's important to know a little about the paid professional in the room and then apply some curiosity.

5. Course Overview/Moodle Visit—We'll take a look at a document posted to the course Moodle page to glean a quick glimpse at what lies ahead.

6. Intro to Summer Reading Character Analysis Paragraph—We'll do just that, using another document posted to the Moodle page.

Who's ready for a weekend?—
Mr Leo
