Greetings, IBsters—

We're on a special schedule today, so here's how we'll roll.

1. IOC Prep Practice—We'll run a twenty-minute clock. Prepare an eight-minute mini-lecture on Chapter 16 of *I Know Why the Caged Bird Sings*.

2. Thesis Sharing—While you are prepping, I will invite you to a GoogleDoc in which we will share our theses.

3. Large Group Discussion—Leaping out from the ideas share in the GoogleDoc, we'll apply some of our decentered discourse strategies to collaborate on a little close reading of the excerpt from Maya Angelou's memoir.

Let's get cracking—
Mr Leo
