Greetings, IBsters—

Welcome back from Week Without Walls! I hope that your week was as fun and provocative as mine!

We'll take some time to reflect upon WWW when next we meet, but today we'll make a run at a Paper 1.

I strongly recommend that you take roughly a half-hour to prepare before you begin writing.

Welcome back!—
Mr Leo

Homework:

In anticipation of our return to prepping for the IOC, please review the chapter overview of *I Know Why the Caged Bird Sings*, share with us by Mr Bryans. You can find this document posted to our Moodle page.
