

Greetings, Wise Fools—

Schedule complications resulting from the administration of the PSATs mean that some sections of English 10 may not meet on October 18 & 19.

Those sections that do meet will be granted a work period.

Instructions will be shared aloud during class.

Thank you for your flexibility—
Mr Leo

Homework (extended from the previous class plan):

1. Complete your second literary analysis paragraph.
2. Using the color-coding system posted to our Moodle page, annotate the paragraph.
3. Upload your Bernice Paragraph to Turnitin.com prior to the start of our next class meeting.
N.B. YOU are responsible for making sure that your document is uploaded in a format that will allow Turnitin.com to display your color-coding.
4. Bring a digital copy of the color-coded paragraph to class.

N.B. If you would like me to delete your first submission of this assignment to Turnitin.com so that you can revise your Poe conversation starter in time to submit it prior to the start of our next class meeting (20/23 October, depending on your section), please let me know.
