Greetings, AmLit Scholars—

Today we'll make a transition to another Transcendentalist. Here's how we'll roll:

1. (not really a WEDGE)-- For roughly ten minutes, review your reading of all the Emerson texts, and generate a conversation starter in response to this question: which brief passages in the Emerson readings are most Emersonian, and *why*?

Please note that you will have to define what you mean by “Emersonian.” As we know, a great conversation starter will arrive in the form of a complete tenable argument (claim or question + textual evidence & citation + reasoning).

2. Digital Decentered Discourse—Once you have composed your conversation starter, head to the GoogleDoc set up for your section and follow the instructions there. We will spend roughly 30 minutes in this GoogleDoc.

3. Getting a Jump on the Homework—We will use the time remaining to get a jump on the active reading in the Thoreau packet.

(think) Tappa! (think) Tappa! (think) Tappa!—
Mr Leo

Homework:

Complete your active reading of the Thoreau packet.
