Greetings, IBsters—

As you know, we will dedicate today's class meeting to crafting a Mock Paper 2.

I will remind you that a homework assignment is posted to our course Moodle page. It's that bit down below.

Scratch, scratch, scratch—

Mr Leo

## Homework:

A. Working from memory and using the IB SL Paper 2 Rubric as a guide, estimate in one (1) brief paragraph your performance on the Mock Paper 2 you wrote during class. Offer individual marks in each of the five (5) assessment categories and support your estimates with evidence and reasoning. Include your assessment of strategies you will employ to craft more persuasive Paper 2s in the future.

B. Upload your self-assessment paragraph to Turnitin.com prior to the start of our next class meeting.

C. Study the entries for "Realism and Naturalism" and "Expressionism" in *A Glossary of Literary Terms*, by M. H. Abrams. This document is posted to our Moodle page.
